■ On top of the world ... Australian Crawl triathlete Warren Forbes had plenty to celebrate in New Zealand recently.

ONE day before marrying fiancée Sharon Paynter earlier this month, Australian Crawl Triathlon club member Warren Forbes completed the 18th Port of Tauranga Half Ironman triathlon at Mt Maunganui in New Zealand.

Forbes completed the 2km swim, 90km cycle and 21km run in 4.35.20 (35.20 2.21.50 1.34.59) to finish seventh in his age

category and 28th overall.

That was a superb performance and saw Forbes featured on the event's official web site as the Athlete of the Month where he was appropriately referred to as 'The Groom'. For more information about the Caboolture-based Australian Crawl Triathlon club phone Virginia Colbran on 0418 886 045.
